Packages available

We have a range of different broadband products available to suit all the family – from a 80Mbps data-only option, to an ultrafast broadband with enhanced download and upload speeds. A voice line with evening and weekend calls is included.

Open Fibre Network Ltd (OFNL) has installed a gigabit fibre network on your development.

This enables us to offer you an ultrafast and reliable internet service, and allows for simultaneous usage of multiple applications.

To check if you qualify for this special offer, please call us on **0800 331 7638** or visit **www.seethelight.co.uk**

If you are interested in a higher-speed service, or upload boost, we have a range of products and services available.

Terms of offer Broadband Service

- Following completion of the 4-month new homeowner broadband and voice offer, your package will roll into a new contract from month five where we will start to charge you for this service; this will be at the standard advertised cost of the seethelight from Sky package you chose at point of sale. If you wish to cancel your broadband after the 4-month offer, please contact us before the end date.
- As part of the sign-up process you agree to a 12-month seethelight from Sky's contract, starting at the end of the 4-month FREE of charge period. You can cancel this 12-month contract at any point during the initial 4 months period without penalty. If you do not cancel the service, the 12-month period will start automatically at which point we will inform you that the 12-month contract has commenced.
- Our standard 14-day cooling-off period will commence from the point your 12-month contract commences.
- Direct Debit payment information will be taken as part of the sign-up process before the offer begins. For further information about how we treat your data please see our privacy policy at www.seethelight.co.uk/privacy
- In addition to these special-offer-specific Terms and Conditions, all standard Terms and Conditions continue to apply.
- Our Terms and Conditions and Codes of Practice including our complaints procedure can be found online at www.seethelight.co.uk. This offer is only available to residential customers.

Broadband Connection and Phone Line

- Any incremental costs for higher-speed services will be charged to you on a monthly in advance basis.
- If you select a voice line, evening and weekend calls will be FREE, but all other telephone calls you make are chargeable. Any incremental costs for telephone call charges will be charged monthly in arrears.
- You can select one of the inclusive voice call packages from the available Anytime and International packages – call charges may apply.
- Any incremental costs for voice call packages will be charged to you on a monthly-in-advance basis.
- Information on our tariffs, including calls to 0870 numbers can be found in our tariff guide on our website and in our online number checker tool at www.seethelight.co.uk/call-calculator.

Wireless Router

- The Wireless Router is loaned to you at no cost and remains the property of seethelight from Sky (or another Sky group company) for the duration of the 4-month FREE of charge period.
- If you cancel at any point during the initial 4 months period (without penalty); You must not dispose of the Wireless Router. You must return or allow us to collect the Wireless Router when reasonably requested to do so. If you fail to return the Wireless Router you will have to pay a non-return charge at £34.90 for a ZTE router or £48.50 for a Technicolor router.
- At the end of the 4-month new homeowner broadband and voice offer period, your package will roll into a new contract from month five where we will start to charge you for this service. Ownership of the router will transfer to you at this point and will become your responsibility.
