Your countryside retreat

With its tree lined setting and elevated views towards the Pentland Hills, you'll experience a sense of escape into the great outdoors at Belwood Oaks. A network of walking trails and cycle paths connect you to the woods and green spaces, and with the peaceful valley of the River Esk, local and national parks, the countryside is yours to enjoy every day...yet all the conveniences of modern day life are on your doorstep too.

A healthy, balanced lifestyle

The attractions of town and country blend into one at Penicuik, with activities for all ages – from historical sites and picknicking spots, to golf at Glencorse, a new swimming pool, a leisure centre within walking distance and the Midlothian Snowsports Centre in neighbouring Hillend. There's a wide variety of sports clubs in the local area and a new library too. All good for a healthy mind and body.

Town and city nearby

With a Tesco Superstore just down the road and a variety of shops, stores, pubs and eateries in Penicuik town centre – including the highly rated Mothers Kitchen & Gin – and Straiton Retail Park with its brand name stores just 5 miles away, you're well served locally for day-to-day life. The city centre can be reached in around half an hour and offers you everything you could wish for from world class culture, festivals and entertainment to nightlife and sports.

First class education

Local schools come highly recommended and you have a convenient choice of local primary and secondary schools*. Mauricewood Primary and Beeslack Community High School are both within easy walking distance, with Strathesk Primary and Penicuik High School also nearby. Midlothian is excellent for education at all levels – not least in Edinburgh, of course, with its diverse range of universities and colleges.

*Owning a home in a school's catchment does not guarantee a place at the school. Please consult the local authority for more details.

Venture into the city to experience award-winning cuisine, steep yourself in history or visit ones of the many museums and experiences on offer. Or why not indulge yourself in some designer shopping? What our customers say

The Stewarts

“We looked at a few developments of new builds but everything came with an extra hidden cost. With Cala, there was none of that – it was all very transparent.

“Due to my design background, I have a keen eye for detail and Cala were leagues ahead of other developments in terms of interior finish and what was included in the price.

“When we stepped into the Colville it was clear that we would be buying something that was

good quality and durable – with elements of luxury.

“Initially when we moved in it felt like we were on holiday. I remember saying to Shona a few weeks in, ‘When do we have to pack and go home?’”

Sustainability the Cala way

Cala has a rich heritage originally dating back to 1875. We started building homes in the 1970s and, for over 50 years, have been creating high quality, sustainable new homes and communities. However it is not just what we do, but the way we do it that matters to Cala.

Thinking sustainably is at the heart of everything we do; from identifying the right sites, through creating a safe, healthy and fulfilling working environment, to taking a sensitive approach to development and delivering communities that meet local requirements.

As part of our sustainability journey we are aiming to reduce our paper usage by 90% across the company, including the customer journey, which is why we are aiming for online only brochures at our developments.
