Offering superior build quality, careful craftsmanship and attention to detail, these stylish new homes are very much designed to meet the demands of modern living. All life stages have been considered in the design process, with spacious, light-filled interiors and flexible layouts that will adapt to your needs as they change. Whether you need a playroom for young children or a den for your teenagers, these homes will easily cater to your needs.

Enjoy town, city and country

Cedar Brae is set in a scenic, semi-rural location, surrounded by open countryside but with the A726 close by, providing access to the M77 for easy journeys to East Kilbride, Glasgow and beyond. For leisure and relaxation you'll be spoilt for choice, with a wide array of attractions located close by. For fresh air and some quality time in the great outdoors, Calderglen Country Park and James Hamilton Heritage Park offer some spectacular scenery to explore, and a host of other facilities to keep families entertained.

Have everything on your doorstep

East Kilbride's bustling town centre is a short car journey away from Cedar Brae, where you'll find an A to Z of familiar name retailers, while the Silverburn shopping centre in Glasgow has stores selling a variety of designer name brands. For your day-to-day essentials, there's a Morrisons store around 10 minutes away by road, with branches of Tesco and Sainsbury's slightly further afield. Caulders Garden Centre in nearby Newton Mearns offers a leisurely afternoon out, browsing in the gift shop and enjoying some lunch in the restaurant. The Jackton Distillery is also only a five-minute drive from the development.

A sustainable lifestyle

Sustainability is something we're building our future on at Cala, and our development Cedar Brae, Jackton incorporates a range of wildlife friendly measures, including bat roosting and bird nesting features, hedgehog-friendly fences and invertebrate bricks for bees and other invertebrates. All our wildlife friendly measures are guided by an ecologist to ensure this is delivered in the most appropriate way to encourage local wildlife, birds and bees, to thrive in the surrounding environment.

Be at one with nature

With rolling fields stretching as far as the eye can see, there will always be a new open green space to explore in the area surrounding Cedar Brae. James Hamilton Heritage Park is a 32-acre attraction with a 16-acre loch and water sports centre, while Calderglen Country Park has a children's zoo, ornamental gardens, nature trails, play park, café and golf course. Cathkin Braes, a hilly area of forest and grassland with mountain bike and hiking trails, and offering views across Glasgow, is also well worth a visit.

Top class schooling

Parents will be pleased to find a fine choice of schools located within a short distance of Cedar Brae. Jackton Primary School is walking distance from home, while Our Lady of Lourdes Primary, in East Kilbride, is around 10 minutes in the car. For older students, there are a variety of high quality schooling options, including St Andrew's and St Bride's High School and Calderglen High School.

The city at your fingertips

If you're in the mood for bright lights and city buzz, you won't have far to travel; Glasgow is less than 40 minutes away on the M77 motorway. Here you can take in the vibrancy and verve of one of the UK's most exciting urban centres. From the streets filled with designer stores, restaurants and bars to the history and culture of the Riverside Museum, Kelvingrove and the Science Centre, there will always be something new to see and do here.

With every home comfort considered for energy-efficient and low maintenance living, each aspect of your family home is beautifully designed and built to an exacting standard; because when you look for quality, it's the little things that make all the difference.

What our customers say

External photography from a previous Cala development

“ My move was really simple and straightforward and the Cala team has been brilliant throughout my journey. The team made sure I had everything at my fingertips in order to make an informed decision and despite the delay due to lockdown, they kept me up to speed all the way through. ”

A previous Cala Homes West buyer

“ We received a quote from Cala and realised we could get the same price for our home as what we had sold it for previously. This was amazing as we didn't think we would be able to get as much money without selling it on the open market...We really couldn't have asked for more. ”

“ I've thoroughly enjoyed the process especially decorating the house and seeing the transformation from house to home. ”

Sustainability the Cala way

Cala has a rich heritage originally dating back to 1875. We started building homes in the 1970s and, for over 50 years, have been creating high quality, sustainable new homes and communities. However it is not just what we do, but the way we do it that matters to Cala.

As part of our sustainability journey we are aiming to reduce our paper usage by 90% across the company, including the customer journey, which is why we are aiming for online only brochures at our developments.

Thinking sustainably is at the heart of everything we do; from identifying the right sites, through creating a safe, healthy and fulfilling working environment, to taking a sensitive approach to development and delivering communities that meet local requirements.
