Desirable in every detail

The finishing touches, unexpected flourishes and innovative features. Designer kitchens with desirable technology built-in, for showing off your culinary flair. Sleek family bathrooms and en suites with high specification sanitaryware, for indulging in some well-deserved pampering.

With every home comfort considered for energy-efficient and low maintenance living, each aspect of your family home is beautifully designed and built to an exacting standard; because when you look for quality, it's the little things that make all the difference.

If you need adaptations to make your home more accessible (for example a fire alarm for the deaf or hard of hearing), we can install these for you subject to build stage. There is no installation fee, just a charge (at cost) for the product.

What our customers say

Photography from a previous Cala development

Photography from a previous Cala development

“We wanted a new build. Our previous house needed substantial work doing over the time we were living there and always felt like an ongoing process, so we wanted to leave that behind and find somewhere new, homely and ready.

Our Cala Home was perfect. We lifted and shifted our furniture in and we were ready to

start living. Being able to choose finishes in areas like the bathroom and kitchen from the outset meant that we felt like we were moving into a new build with our own style.”
