Cornhill Village's location, nestled on the edge of some picturesque countryside, makes it the ideal place for maintaining a healthy lifestyle. Chatelherault Country Park is just a 10 minute drive from home and offers more than 500 acres of woodlands and countryside to enjoy. Home to an 18th century hunting lodge, it also has a visitor centre, café and gift shop, picnic area and adventure playground, with a farmers' market also taking place in the grounds every Sunday. There are also a number of local sports clubs situated around Hamilton and the surrounding area.

Education, education, education

Parents will be spoilt for choice when it comes to education in Hamilton, with a wide selection of nursery, primary and secondary schools all located within easy reach of the development. There is also the combined primary and secondary school, the independent Hamilton College.

What our customers say

“ My move was really simple and straightforward and the Cala team has been brilliant throughout my journey. The team made sure I had everything at my fingertips in order to make an informed decision and despite the delay due to lockdown, they kept me up to speed all the way through. ”

A previous Cala Homes West buyer

“ I’ve thoroughly enjoyed the process especially decorating the house and seeing the transformation from house to home. ”

A previous Cala Homes West buyer

“ We received a quote from Cala and realised we could get the same price for our home as what we had sold it for previously. This was amazing as we didn’t think we would be able to get as much money without selling it on the open market...We really couldn’t have asked for more. ”

Sustainability the Cala way

Cala has a rich heritage originally dating back to 1875. We started building homes in the 1970s and, for over 50 years, have been creating high quality, sustainable new homes and communities. However it is not just what we do, but the way we do it that matters to Cala.

Thinking sustainably is at the heart of everything we do; from identifying the right sites, through creating a safe, healthy and fulfilling working environment, to taking a sensitive approach to development and delivering communities that meet local requirements.

As part of our sustainability journey we are aiming to reduce our paper usage by 90% across the company, including the customer journey, which is why we are aiming for online only brochures at our developments.
